Natomas Awana Club
1227 N. Market Blvd
Sacramento, CA 95834

Dear Parents of Awana Clubbers:

We are excited to have your child with us this year in our Awana Club. Our leadership team has been working hard to prepare for a great year of fun, learning, and growing in God's Word.

As an Awana clubber, your child will be encouraged to display good sportsmanship, memorize portions of Scripture, and complete activities in their handbooks. As leaders, we want to partner with you in the spiritual development of your child. The Awana program cannot replace your role, nor can it operate without your involvement. Only by working together can Awana be used to its full potential.

Would you be able to help us on Tuesday nights as an Awana volunteer? Our club grows on a weekly basis and we are always in need of additional small group leaders. Don't leave the spiritual training of your children to others — ask us how you can become a part of our Awana leadership family.

Please feel free to contact me with questions.

Because kids matter to God,

Awana Check-In/Check-Out Procedures

Check-In: 6:15-6:30pm

Check-Out: 8:00pm

*****Please do not drop off your clubbers earlier than 6:15*****

- We ask that you enter the parking lot on the east side of the facility and exit on the west side (located on the other side of the building).
- The registration desk is located inside the main entrance and will be manned by check-in volunteers.
- After check-in, parents should take their children to the appropriate location (before 6:30 all children go to the sanctuary; after 6:30 children should be taken to their club location).
- **Children are NEVER to be dropped off for check-in. They must be accompanied by an adult to the registration table.**
- **Visitors** may go directly to the registration table and a Club Secretary will explain the registration procedures to the visitor and his/her parents (a child is considered a visitor up to three visits - after three visits, he/she should register).
- Awana ends at 8:00 and parents **MUST** come in and pick up their children as children will not be allowed to leave the building without a parent or responsible adult (siblings old enough to drive are ok). Cubbies will be in the Cubbies room and all other clubbers will be in the sanctuary. We ask that you enter by the northeast door and exit through the main doors to keep the flow of traffic moving.
